All amounts earned in respect of Units of Equipment not otherwise placed in storage after the date of termination of this Lease whether as a result of an Event of Default or otherwise shall belong to Lessor and, if received by Lessee, shall be promptly turned over to Lessor. In the event any Units of Equipment are not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the per diem equivalent of the Basic Rent then in effect immediately prior to such termination. Without in any way limiting the obligation of Lessee under the foregoing provisions of this Section 6, Lessee hereby irrevocably appoints Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Units of Equipment to Lessor, to demand and take possession of such Units of Equipment in the name and on behalf of Lessee from whomever shall be in possession of such Unit of Equipment at the time.

Lessee hereby agrees to pay Lessor Interim Rent for each Unit of Equipment as to which there is an Interim Term, payable on the Rent Payment Date of the Interim Term for such Unit, in the amount obtained by multiplying (i) the Acquisition Cost of such Unit of Equipment by (ii) 0.02666%, by (iii) the number of days from and including the Acceptance Date for such Unit through the end of the Interim Term for such Unit.

(b) Basic Rent. Lessee hereby agrees to pay Lessor Basic Rent monthly in arrears for each Unit of Equipment in an amount obtained by multiplying (i) the Acquisition Cost of such Unit by (ii) 0.910937%.

Lessee also agrees to pay to Lessor, or to whomsoever shall be entitled thereto as expressly provided herein, all Supplemental Payments, promptly as the same shall become due and owing, and in the event of any failure on the part of Lessee so to pay any such Supplemental Payment hereunder Lessor shall have all rights, powers and remedies provided for herein or by law or equity or otherwise in the case of nonpayment of Rent.

(d) Method of Payment. All payments of Rent and Supplemental Payments required to be made by Lessee to Lessor shall be made by wire transfer of federal funds to such account in the continental United States as shall be designated by Lessor. In the event of any assignment to an Assignee pursuant to Section 14(b) hereof, all payments which are assigned to such Assignee, whether Rent, Supplemental Payments or otherwise, shall be paid in such manner as shall be designated by such Assignee in accordance with terms of this Lease.

Lessee acknowledges and agrees that Lessee's obligations hereunder, including, without limitation, its obligations to pay Rent for all Equipment leased hereunder and to pay all Supplemental Payments payable hereunder, shall be unconditional and irrevocable under any and all circumstances, shall not be subject to cancellation, termination, modification or repudiation by Lessee (except as otherwise provided in this Lease) and shall be paid and performed by Lessee without notice or demand and without any abatement, reduction, diminution, setoff, defense, counterclaim or recoupment whatsoever, including, without limitation, any abatement, reduction, diminution, setoff, defense, counterclaim or recoupment due or alleged to be due to, or by reason of, any past, present or future claims which Lessee may have against Lessor, any Assignee, any manufacturer or supplier of the Equipment or any part or Unit thereof, or any other Person for any reason whatsoever; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the obligations of Lessee be otherwise affected, by reason of any defect in the Equipment or any part or Unit thereof, the condition, design, operation or fitness for use thereof, any damage to, or any loss or destruction of, the Equipment or any part or Unit thereof, any Liens or rights of others with respect to the Equipment or any part or Unit thereof, any prohibition or interruption of or other restriction against Lessee's use, operation or possession of the Equipment or any part or Unit thereof, for any reason whatsoever, or any interference with such use, operation or possession by any Person or entity, or by reason of any failure by Lessor to perform any of its obligations herein contained, or by reason of any other indebtedness or liability, howsoever and whenever arising, of Lessor, or of any Assignee, or of Lessee to any other Person, or by reason of insolvency, bankruptcy or similar proceedings by or against Lessor, any Assignee or Lessee, or for any other reason whatsoever, whether similar or dissimilar to any of the foregoing, any present or future law to the contrary notwithstanding; it being the intention of the parties hereto that all Rent and Supplemental Payments payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times herein provided, without notice or demand, unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

Lessee agrees that the Equipment will be used and operated in compliance with any and all insurance policy terms, conditions and provisions and with all statutes, laws, ordinances, rules and regulations of any Federal, state or local governmental body, agency or authority applicable to the use and operation of the Equipment. Lessee shall procure and maintain in effect all licenses, registrations, certificates, permits, approvals and consents required by Federal, state or local laws or by any governmental body, agency or authority in connection with the ownership, delivery, installation, use and operation of each Unit of Equipment. The Equipment will at all times be and remain in the possession and control of Lessee, subject, however, to the terms of Section 14(c) hereof. The Equipment shall in no event be located outside of the continental limits of the United States without the prior written consent of Lessor (not to unreasonably withheld after Lessor and each Assignee shall have received such assurances as Lessor and each Assignee may reasonably require to assure that the interests of Lessor and such Assignee hereunder shall be adequately protected in any other jurisdiction where the Units will be located); provided, however, that so long as the consolidated net worth of Lessee is not less than \$1,000,000,000, Lessee may use or cause the Units of Equipment to be used in Mexico and Canada so long as not more than thirty percent (30%) of the Units of Equipment are outside the United States at any one time. Lessee shall not use any Unit of Equipment, or permit any Unit of Equipment to be used, for the transportation or storage of any substance which is categorized as, or required to be labeled as, "poison" or "poisonous", "explosive" or "radioactive" (or any categories or labels substituted for such categories or labels as in effect on the day hereof) under 49 CFR 171 or other applicable Federal rules in effect from time to time regulating the transportation of hazardous materials; provided that in all cases the Units of Equipment shall be permitted to be used to transport corn alcohol.

Lessee agrees, at its own cost and expense, to keep, repair, maintain and preserve the Equipment in good order and operating condition, and in compliance with such maintenance and repair standards and procedures as are set forth in the manufacturer's manuals pertaining to the Equipment, and as otherwise may be required to enforce warranty claims against each vendor and manufacturer of each Unit of Equipment, and in compliance with all requirements of law applicable to the use, maintenance and operation of the Equipment, with the interchange rules of the Association of

American Railroads (and qualify for interchange service in accordance with such interchange rules) and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation, maintenance or use of the Equipment, and in the event that such laws or rules require any alteration, replacement or addition of or to any part on any Equipment Lessee will conform therewith at its own expense; provided, however, that Lessee may at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor or any Assignee, adversely affect the property or rights of Lessor or any Assignee or result in any liability, criminal or otherwise, on the part of the Lessor or any Assignee. Lessee agrees to prepare and deliver to the Lessor and any Assignee within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of Lessor and any Assignee) any and all reports (other than income tax returns) to be filed by Lessor or any Assignee with any Federal, state or other regulatory authority by reason of the ownership by Lessor or any Assignee of the Units of Equipment or the leasing thereof to Lessee. Lessor agrees to inform Lessee of any request for such reports received by it. Lessee agrees to maintain all records, logs and other materials required by the Association of American Railroads or the Department of Transportation, or any other governmental authority having jurisdiction over the Units of Equipment or the Lessee, to be maintained in respect of each Unit of Equipment. Lessee hereby waives any right now or hereafter conferred by law to make repairs on the Equipment at the expense of Lessor.

12. Replacements; Alterations; Modifications. In case any Unit of Equipment (or any equipment, part or appliance therein) is required to be altered, added to, replaced or modified in order to comply with any laws, regulations, requirements or rules (whether referred to in Section 11 hereof or otherwise) ("Required Alteration") pursuant to Sections 10 or 11 hereof, Lessee agrees to make such Required Alteration at its own expense. In the event such Required Alteration is readily removable without causing material damage to the Unit of Equipment, and is not a part, item of equipment or appliance which replaces any part, item of equipment or appliance originally incorporated or installed in or attached to such Unit of Equipment on the Acceptance Date therefor or any part, item of equipment or appliance in replacement of or substitution for any such original part, item of equipment or appliance, any such Required Alteration shall be and remain the property of Lessee. To the extent such Required Alteration is not readily removable without causing material damage to the Unit of Equipment to which such Required Alteration has been made, or is a part, item of

equipment or appliance which replaces any part, item of equipment or appliance originally incorporated or installed in or attached to such Unit of Equipment on the Acceptance Date therefor or any part, item of equipment or appliance in replacement of or substitution for any such original part, item of equipment or appliance, the same shall immediately be and become the property of Lessor and subject to the terms of this Lease. Any parts installed or replacements made by Lessee upon any Unit of Equipment pursuant to its obligation to maintain and keep the Equipment in good order, operating condition and repair under Section 11 hereof shall be considered accessions to such Unit of Equipment and title thereto or security interest therein shall be immediately vested in Lessor.

13. Identifying Numbers; Legend; Changes. Lessee will cause each Unit to be kept numbered with the identification number as shall be set forth in the Lease Supplement therefor, and the Lessee will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "OWNED BY WILMINGTON TRUST COMPANY, NOT IN ITS INDIVIDUAL CAPACITY BUT SOLELY AS TRUSTEE, AS OWNER AND SUBJECT TO A SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION" or other appropriate words designated by Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's title to and any Assignee's interests in such Unit and the rights of Lessor and of any Assignee. The Lessee will replace promptly any such words which may be removed, defaced, obliterated or destroyed. The Lessee will not change the identification number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with any Assignee and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease shall have been filed, recorded and deposited or any financing statement has been filed in respect thereof and (ii) the Lessee shall have furnished any Assignee and Lessor an opinion of counsel in form and substance reasonably satisfactory to Lessor and Assignee to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect any Assignee's and Lessor's interests in such Units and that no other filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of Assignee and Lessor in such Unit. The Units of Equipment may be lettered with the names or initials or other insignia customarily used by the Lessee or its permitted sublessees but Lessee will not allow the name of any other person, to be placed on any Unit of Equipment as designation that might be interpreted as a claim of ownership.

14. Assignments; Subleasing; Mergers or Consolidations.

(a) Assignments and Subleasing By Lessee. LESSEE SHALL NOT, WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR, SUBLEASE OR OTHERWISE RELINQUISH POSSESSION OF ANY UNIT OF EQUIPMENT, OR ASSIGN, TRANSFER OR ENCUMBER ITS RIGHTS, INTERESTS OR OBLIGATIONS HEREUNDER AND ANY ATTEMPTED SUBLEASE, RELINQUISHMENT, ASSIGNMENT, TRANSFER OR ENCUMBERING BY LESSEE SHALL BE NULL AND VOID, except as provided in Sections 14(c) and (d) hereof.

(b) Assignments By Lessor. Lessor shall not sell, assign or transfer or grant a security interest in all or any part of, Lessor's rights, obligations, title and interest in, to and under the Equipment (or any Unit) thereof, this Lease, any Lease Supplement, and/or any Rent and Supplemental Payments payable under this Lease or any Lease Supplement; provided, however, that Lessor may so assign and grant a security interest in this Lease and the Equipment concurrently with the execution hereof to Massachusetts Mutual Life Insurance Company (which for all purposes shall be deemed an Assignee, as hereinafter defined, hereunder); and provided, further, that Lessor and any Assignee shall have the right at any time, upon prior written notice to Lessee and at its respective sole expense, to sell, assign, transfer or grant a security interest in all (but not less than all) of its rights, title, interests and obligations, to an Institutional Investor in a transaction that is exempted from registration under the Securities Act of 1933, as amended (the "1933 Act") and applicable state securities laws. For purposes of this Section 14(b), an "Institutional Investor" means an accredited investor under Rule 501(a) of the 1933 Act, which is either a bank, insurance company, pension trust, trust company or credit, leasing or finance company or other financial institution organized under the laws of the United States or any State thereof having a total net worth of at least \$50,000,000 and total assets of at least \$200,000,000.00 and which does not directly or indirectly compete with Lessee or any affiliate of Lessee in the agricultural or industrial business within which Lessee or any such affiliate is engaged; provided, however, that no such sale, assignment, transfer or grant of security interest shall expand or reduce the rights and obligations of Lessor under any other provision of this Lease or constitute a waiver of any of Lessee's claims against Lessor and its successors or assigns. Any entity to whom any such sale, assignment, transfer or grant of security interest is made is herein called an "Assignee" and any such sale, assignment, transfer or grant of security interest is herein called an "assignment". Lessee agrees to execute related acknowledgments and other documents that may be reasonably requested by Lessor or an Assignee. Each Assignee shall have and may enforce all of the rights and benefits of Lessor, hereunder with respect to the Equipment and related Lease Supplements covered by the assignment, including, without limitation, the provisions of Section 8 hereof and Lessee's representations and warranties under Section 21 hereof. Lessee acknowledges that any such assignment in accordance with the

terms hereof will not materially change its duties or materially increase its burdens or risks hereunder. Each such assignment shall be subject to Lessee's rights hereunder so long as no Event of Default has occurred and is occurring hereunder. Lessee shall be under no obligation to any Assignee except upon written notice of such assignment from Lessor or, in the case of a reassignment, from the Assignee. Upon written notice to Lessee of such assignment, Lessee agrees to pay the Rent and Supplemental Payments with respect to the Unit(s) of Equipment covered by such assignment to such Assignee in accordance with the instructions specified in such notice without any abatement, defense, setoff, counterclaim or recoupment whatsoever, and to otherwise comply with all notices, directions and demands which may be given by Lessor or such Assignee with respect to such Unit(s), in accordance with the provisions of this Lease. Notwithstanding any such assignment, all obligations of Lessor to Lessee under this Lease shall be and remain enforceable by Lessee against Lessor and any Assignee to whom an assignment hereunder (other than Massachusetts Mutual Life Insurance Company and any other Assignee receiving only a security interest) has been made.

(c) Interchange and Subleases. So long as no Event of Default shall have occurred or be continuing hereunder, Lessee shall be entitled to the possession and use of the Units of Equipment upon lines of railroad owned or operated by it or upon lines of railroad over which Lessee has trackage or other operating rights or over which railroad equipment of Lessee is regularly operated pursuant to contract and shall be entitled to permit the use of the Units of Equipment upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements and to assign its rights to the Units of Equipment or to sublease the Units of Equipment, but only upon and subject to all the terms and conditions of this Lease, provided, however, that without the Lessor's prior written consent (which shall not be unreasonably withheld), no such assignment or sublease (other than to a direct or indirect subsidiary of Lessee) shall involve more than one hundred Units or be for a period in excess of two years: and provided, further, Lessee's obligations hereunder shall continue in full force and effect as the obligations of a principal and not of a surety; and provided, further, that the Lessee shall not without the Lessor's prior written consent assign or sublease the Units of Equipment to, or permit the assignment or sublease of the Units of Equipment to, or permit the assignment or sublease of the Units of Equipment by, any person (a) who shall then be in default with respect to the payments of money under any instrument evidencing indebtedness or with respect to any liability for borrowed money or for the deferred purchase price of property if the aggregate amount of all such indebtedness, liabilities and purchase prices under or with respect to which such person is then in default exceed 1/2% of such person's net worth or capital and surplus, or (b) who shall then be engaged in any proceedings for relief under

any bankruptcy or insolvency law or laws relating to the relief of debtors, readjustments. Lessee may receive and retain compensation for the use of any of the Units of Equipment from railroads or other entities so using such Units of Equipment. Each sublease or assignment permitted by this paragraph shall (a) be expressly subject and subordinate to all of the provisions of this Lease and the Lessor under this Lease in respect of the Units of Equipment covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder, (b) shall expressly require the Units of Equipment subject thereto to be returned as directed by the Lessor upon notice to such assignee or sublessee that an Event of Default shall have occurred and be continuing and (c) shall expressly prohibit any further sublease or assignment of the Units of Equipment subject thereto. If so requested by Lessor, Lessee shall, within fifteen (15) days after the execution of any such sublease, deliver a conformed copy thereof to the Lessor and the Assignee.

(d) Mergers and Consolidations. Lessee shall not (whether in one transaction or a series of transactions), without Lessor's prior written consent, sell, transfer or dispose of, all or substantially all of its assets or property, or consolidate or merge with any other corporation, unless (i) the corporation which results from such merger or consolidation or which shall have acquired all or substantially all of the property of Lessee is organized under the laws of the United States or a jurisdiction thereof, (ii) all of the liabilities and obligations of Lessee under this Lease shall be expressly assumed in writing by the successor corporation formed by or resulting from any such consolidation or merger (unless such successor corporation is Lessee) or by the corporation which shall have acquired all or substantially all of the property of Lessee and (iii) no Event of Default shall exist and be continuing before or as a result of such action.

15. Liens. Lessee will not directly or indirectly create, incur, assume or suffer to exist any Lien on or with respect to (i) the Equipment or any part or Unit thereof, Lessor's title thereto, or any interest therein, or (ii) this Lease or any of Lessor's interests hereunder, except any Lien granted or placed thereon by Lessor or any Assignee as a result of an assignment to an Assignee pursuant to Section 14(b) hereof. Lessee, at its own expense, will promptly pay, satisfy and otherwise take such actions as may be necessary to keep this Lease and the Equipment free and clear of, and to duly discharge or eliminate or bond in a manner satisfactory to Lessor and each Assignee, any such Lien not excepted above if the same shall arise at any time; provided, however, that Lessee shall not be required to discharge any such Liens solely with respect to the Equipment so long as (i) Lessee shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner and prevent the sale or forfeiture of such Unit of Equipment by formal stay

or otherwise, and (ii) such proceedings shall not subject Lessor or any Assignee to any civil or criminal liability. Lessee will notify Lessor and each Assignee in writing promptly upon becoming aware of any tax or other Lien (other than any lien excepted above) that shall attach to the Equipment or any Unit of Equipment, and of the full particulars thereof.

16. Loss, Damage or Destruction.

(a) Risk of Loss, Damage or Destruction. Lessee hereby assumes all risk of loss, damage, theft, taking, destruction, confiscation, requisition or commandeering, partial or complete, of or to each Unit of Equipment, however caused or occasioned, such risk to be borne by Lessee with respect to each Unit of Equipment from the date of this Lease, and continuing until such Unit of Equipment has been returned to Lessor in accordance with the provisions of Section 6 hereof or has been purchased by Lessee in accordance with the provisions of Section 28(b) hereof. Lessee agrees that no occurrence specified in the preceding sentence shall impair, in whole or in part, any obligation of Lessee under this Lease, including, without limitation, the obligation to pay Rent.

(b) Payment of Casualty Loss Value Upon an Event of Loss. Subject to the terms of Section 16(d) hereof, if an Event of Loss occurs with respect to a Unit of Equipment during the Term, Lessee shall give Lessor prompt written notice thereof (accompanied by a certificate of an equipment manager of Lessee stating the circumstances of such Event of Loss in the event that such Unit shall have become worn out, lost, stolen, destroyed, damaged or returned to the manufacturer) and shall pay to Lessor on the Rent Payment Date next following the date of such Event of Loss (or on the last day of the Rental Period in which such Event of Loss occurs if there is no succeeding Rent Payment Date) the sum of (i) all unpaid Interim Rent and Basic Rent due for such Unit of Equipment on or before such Rent Payment Date plus (ii) the Casualty Loss Value of such Unit of Equipment as of the Rent Payment Date next following the date of such Event of Loss, plus (iii) all other Supplemental Payments (if any) due for such Unit of Equipment as of the date of payment of the amounts specified in the foregoing clauses (i) and (ii). Any payments received at any time by Lessor or by Lessee from any insurer or other party (except Lessee) as a result of the occurrence of such Event of Loss will be applied in reduction of Lessee's obligation to pay the foregoing amounts, if not already paid by Lessee, or, if already paid by Lessee, will be applied to reimburse Lessee for its payment of such amount, unless an Event of Default shall have occurred and be continuing. Upon payment in full of such Casualty Loss Value, Basic Rent, Interim Rent (if applicable) and Supplemental Payments, (A) the obligation of Lessee to pay Basic Rent hereunder with respect to such Unit of Equipment shall terminate and the Term of such Unit shall thereupon terminate,

and (B) Lessee shall, as agent for Lessor, as soon as practicable, dispose of such Unit of Equipment for Lessee's account. As used in this Lease, the term "Casualty Loss Value" of any Unit of Equipment as of any Rent Payment Date means an amount determined by multiplying the Acquisition Cost of such Unit of Equipment by the percentage set forth opposite such Rent Payment Date on the schedule of Casualty Loss Values attached hereto and made a part hereof.

(c) Application of Payments Not Relating to an Event of Loss. Any payments (including, without limitation, insurance proceeds) received at any time by Lessor or Lessee from any governmental authority or other party with respect to any loss or damage to any Unit or Units of Equipment not constituting an Event of Loss, will be applied directly in payment of repairs or for replacement of property in accordance with the provisions of Section 11 and 12 hereof, if not already paid by Lessee, or if already paid by Lessee and no Event of Default shall have occurred and be continuing, shall be applied to reimburse Lessee for such payment, and any balance remaining after compliance with said Sections with respect to such loss or damage shall be retained by Lessee.

(d) Replacement of Units. Upon the occurrence of an Event of Loss with respect to a Unit of Equipment, upon written notice of such election to Lessor and any Assignee accompanying notification of such Event of Loss, Lessee may elect, in lieu of making a payment of the Casualty Loss Value of such Unit of Equipment pursuant to Section 16(b) hereof, to subject to this Lease a railcar meeting the suitability standards hereinafter set forth. To be suitable as a replacement Unit of Equipment, a railcar must be of the same general type, year of construction (or a later year of construction) function, utility, state of repair and operating condition as the Unit of Equipment suffering the Event of Loss, must have a fair market value of not less than the fair market value (immediately preceding the Event of Loss assuming that such Unit had been maintained in accordance with the terms of Section 11 of the Lease) of the Units of Equipment suffering the Event of Loss and be free and clear of any Liens not permitted under Section 15 hereof. Lessee shall cause a Lease Supplement and Bill of Sale, if any, to be executed to subject such replacement railcar hereto and upon the accomplishment of the same and the receipt by Lessor and each Assignee an opinion of a member of Lessee's Legal Department in form and substance reasonably satisfactory to Lessor and Assignee to the effect that such Lease Supplement has been filed, recorded and deposited in all public offices where the Lease shall have been filed, recorded and deposited, that such filing, recordation and deposit will protect Lessor's and any Assignee's interests in such replacement railcar and that no other filing, recording, deposit, or giving of notice with or to any other Federal, state or local government of agency thereof is necessary to protect the

interests of Lessor or Assignee in such replacement railcar, such replacement railcar shall be deemed a "Unit of Equipment" for all purposes hereof, and the Unit of Equipment suffering the Event of Loss shall be released from this Lease.

17. Insurance. Lessee at all times prior to the return of the Units of Equipment to Lessor pursuant to the terms hereof and at Lessee's own expense, cause to be carried and maintained with financially sound and reputable insurers (a) commercial general liability insurance with respect to the Units of Equipment against third party personal injury and property damage and (b) property insurance in respect of the Units of Equipment at the time leased hereunder, said property insurance to be in amounts at least equal at all times to the aggregate Casualty Loss Value of such Units of Equipment (I) during the Interim Term, as computed on September 30, 1991, and (II) on or after the Basic Term Commencement Date computed as of the next succeeding Rent Payment Date, as the case may be; provided, however, that Lessee may, in the case of property insurance, self-insure such Units of Equipment to the extent that such self-insurance is (a) consistent with prudent industry practice and, in any event, (b) in an amount (considered in relation to the then current value of such Units of Equipment) no greater than the amount of self-insurance maintained with respect to other similar equipment, if any, then owned or leased by Lessee (considered in relations to the then current value of such similar equipment); and provided, further, that insurance may provide for such deductibles as are (I) consistent with prudent industry practice and, in any event (II) in an amount no greater than the amount of deductibles allowed with respect to insurance maintained on other similar equipment; and provided, further, that so long as the consolidated net worth of the Lessee is not less than \$1,000,000,000, Lessee may self-insure for commercial liability in amount of up to \$10,000,000. Lessee may self-insure for amounts in excess of \$10,000,000 with Lessor's prior written consent which consent shall not be unreasonably withheld. Except as otherwise provided above Lessee will carry such insurance in such amounts, for such risks and with such deductible as are reasonably satisfactory to Lessor and any Assignee and in any event consistent with prudent industry practice and at least comparable in amounts and against risks customarily insured against by the Lessee and corporations of established reputation engaged in the same or similar business as the Lessee. If at any time Lessee shall be unable to obtain \$25,000,000 of liability insurance pursuant to the foregoing sentence, then Lessor may request a certificate of independent insurance broker stating that the amount of insurance carried by Lessee is consistent with prudent industry practice and that liability insurance in excess of the amount then being carried is commercially unavailable. Lessee shall pay the cost of such certificate. The proceeds of any such insurance shall be payable to any Assignee (pursuant to a standard mortgagee loss payable clause in the case of property

insurance), and thereafter Lessor and, so long as no Event of Default shall have occurred and be continuing, Lessee, as their respective interests may appear. All policies of insurance carried in accordance with this paragraph shall (i) require 30 days' prior notice to Lessor, and any Assignee of cancellation in or expiration of coverage, (ii) name Wilmington Trust Company, in its individual capacity, Lessor and any Assignee as additional insureds or as loss-payees, as their respective interests may appear, and (iii) waive any right to claim any premiums or commission against Lessor and any Assignee. Such policies shall not require contributions from other policies held by Lessor or any Assignee. Lessee will cause its insurers to notify Lessor and any Assignee of any material change in coverage under any policy of insurance carried in accordance with this Section 17 promptly after Lessee receives such notification. Prior to each Acceptance Date, and thereafter not less than 15 days prior to the expiration dates of the expiring policies theretofore delivered pursuant to this Section 17, Lessee shall deliver to Lessor and any Assignee certificates issued by the insurer(s) for the insurance maintained pursuant to this Section 17; provided, however, that if the delivery of any certificate is delayed, Lessee shall deliver an executed binder with respect thereto and shall deliver the certificate upon receipt thereof. Upon the request of Lessee or any Assignee Lessee will furnish to Lessor and any Assignee a certificate of an independent insurance broker of recognized standing evidencing the maintenance of all insurance required hereunder.

18. General Tax Indemnity. Lessee agrees to pay, defend and indemnify and hold Wilmington Trust Company, in its individual capacity, Lessor, Owner Participant, each Assignee, and their respective successors and assigns harmless on an after-tax basis from any and all Federal, state, local and foreign taxes, fees, withholdings, levies, imposts, duties, assessments and charges of any kind and nature whatsoever, together with any penalties, fines or interest thereon (herein called "taxes or other impositions") howsoever imposed, whether levied or imposed upon or asserted against Wilmington Trust Company, in its individual capacity, Lessor, any Assignee, Lessee, the Equipment, any Unit of Equipment, or any part thereof, by any Federal, state or local government or taxing authority in the United States, or by any taxing authority or governmental subdivision of a foreign country, upon or with respect to (a) the Equipment, or any Unit of Equipment or any part thereof, (b) the manufacture, construction, ordering, purchase, ownership, delivery, leasing, subleasing, re-leasing, possession, use, maintenance, registration, re-registration, titling, re-titling, licensing, documentation, return, repossession, sale or other application or disposition of the Equipment, or any Unit of Equipment or any part thereof, (c) the rentals, receipts or earnings arising from the Equipment or any Unit of Equipment or any part thereof, or (d) this Lease, each

Lease Supplement, the Rent and/or Supplemental Payments payable by Lessee hereunder; provided, however, that the foregoing indemnity shall not apply to any taxes or other impositions based upon or measured by Wilmington Trust Company's, Lessor's or any Assignee's income, receipts, capital, net worth, excess profits or items of tax preference, including minimum taxes and withholding taxes measured by income, and which are imposed or levied by any Federal, state or local taxing authority in the United States. Lessee will promptly notify Lessor of all reports or returns required to be made with respect to any tax or other imposition with respect to which Lessee is required to indemnify hereunder, and will promptly provide Lessor with all information necessary for the making and timely filing of such reports or returns by Lessor or Wilmington Trust Company. If Lessor or Wilmington Trust Company requests that any such reports or returns be prepared and filed by Lessee, Lessee will prepare and file the same if permitted by applicable law to file the same, and if not so permitted, Lessee shall prepare such reports or returns for signature by Lessor, or Wilmington Trust Company, as the case may be and shall forward the same, together with immediately available funds for payment of any tax or other imposition due, to Lessor, at least ten (10) days in advance of the date such payment is to be made. Upon written request, Lessee shall furnish Lessor with copies of all paid receipts or other appropriate evidence of payment for all taxes or other impositions paid by Lessee pursuant to this Section 18. All of the indemnities contained in this Section 18 shall continue in full force and effect notwithstanding the expiration or earlier termination of this Lease in whole or in part, including the expiration or termination of the Term with respect to any Unit (or all) of the Equipment, and are expressly made for the benefit of, and shall be enforceable by, Lessor and each Assignee.

19. Indemnification. Lessee hereby assumes liability for, and does hereby agree to indemnify, protect, save, defend, and hold harmless Wilmington Trust Company, in its individual capacity, the Owner Participant, Lessor, each Assignee, and their respective officers, directors, stockholders, successors, assigns, agents and servants (each such party being herein, for purposes of this Section 19, called an "indemnified party") on an after-tax basis from and against any and all obligations, fees, liabilities, losses, damages, penalties, claims, demands, actions, suits, judgments, costs and expenses, including reasonable legal expenses, of every kind and nature whatsoever, imposed on, incurred by, or asserted against any indemnified party, which is not directly and primarily caused by the gross negligence or willful misconduct of the indemnified party and which relates in any way to or arises in any way out of (a) the manufacture, construction, ordering, purchase, acceptance or rejection, ownership, titling or retitling, registration or reregistration, delivery, leasing, subleasing, possession, use, operation, storage, removal, return, sale or other disposition of

the Equipment or any Unit of Equipment, or any part thereof, including, without limitation, any of such as may arise from (i) loss or damage to any property or death or injury to any persons, (ii) patent or latent defects in the Equipment (whether or not discoverable by Lessee or any indemnified party), (iii) any claims based on strict liability in tort, (iv) any claims related to the release of any substance into the environment and (v) any claims based on patent, trademark, tradename or copyright infringement or (b) any failure on the part of Lessee to perform or comply with any of the terms of this Lease. Lessee shall give each indemnified party prompt notice of any occurrence, event or condition known to Lessee as a consequence of which any indemnified party may be entitled to indemnification hereunder, except only that Lessee shall not be required pursuant to this Section 19 to indemnify any indemnified party for any liability relating to the Equipment arising out of acts or events which occur after return of the Equipment to Lessor (and expiration of any storage period) pursuant to Section 6 hereof (other than a return pursuant to Section 23 hereof) or which occur after a sale to a third party pursuant to Section 28(c) hereof. Lessee shall forthwith upon demand of any such indemnified party reimburse such indemnified party for amounts expended by it in connection with any of the foregoing or pay such amounts directly. Lessee shall be subrogated to an indemnified party's rights in any matter with respect to which Lessee has actually reimbursed such indemnified party for amounts expended by it or has actually paid such amounts directly pursuant to this Section 19. In case any action, suit or proceeding is brought against any indemnified party in connection with any claim indemnified against hereunder, such indemnified party will, promptly after receipt of notice of the commencement of such action, suit or proceeding, notify Lessee thereof, enclosing a copy of all papers served upon such indemnified party, but failure to give such notice or to enclose such papers shall not relieve Lessee from any liability hereunder or exonerate Lessor from any liability to Lessee for failure to give such notice. Lessee may, and upon such indemnified party's request will, at Lessee's expense, resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by Lessee and reasonably satisfactory to such indemnified party and in the event of any failure by Lessee to do so, Lessee shall pay all costs and expenses (including, without limitation, attorney's fees and expenses) incurred by such indemnified party in connection with such action, suit or proceeding. The provisions of this Section 19, and the obligations of Lessee under this Section 19, shall apply from the date of the execution of this Lease notwithstanding that the Term may not have commenced with respect to any Unit of Equipment, and shall survive and continue in full force and effect notwithstanding the expiration or earlier termination of this Lease in whole or in part, including the expiration or termination of the Term with respect to any Unit (or all) of the Equipment, and are expressly made for the benefit of, and shall

be enforceable by, each indemnified party.

20. NO WARRANTIES. LESSOR HEREBY LEASES THE EQUIPMENT TO LESSEE AS-IS AND EXPRESSLY DISCLAIMS AND MAKES NO REPRESENTATION OR WARRANTY, EITHER EXPRESSED OR IMPLIED, AS TO THE DESIGN, CONDITION, QUALITY, CAPACITY, MERCHANTABILITY, DURABILITY, SUITABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE OF, OR ANY OTHER MATTER CONCERNING THE EQUIPMENT. LESSEE HEREBY WAIVES ANY CLAIM (INCLUDING ANY CLAIM BASED ON STRICT OR ABSOLUTE LIABILITY IN TORT OR INFRINGEMENT) IT MIGHT HAVE AGAINST LESSOR FOR ANY LOSS, DAMAGE (INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGE) OR EXPENSE CAUSED BY THE EQUIPMENT OR BY LESSEE'S LOSS OF USE THEREOF FOR ANY REASON WHATSOEVER. So long and only so long as an Event of Default shall not have occurred and be continuing, and so long and only so long as the Equipment shall be subject to this Lease and Lessee shall be entitled to possession of the Equipment hereunder, Lessor authorizes Lessee, at Lessee's expense, to assert for Lessor's account, all rights and powers of Lessor under any manufacturer's, vendor's or dealer's warranty on the Equipment or any part thereof; provided, however, that Lessee shall indemnify, protect, save, defend and hold harmless Lessor from and against any and all claims, and all costs, expenses, damages, losses and liabilities incurred or suffered by Lessor in connection therewith, as a result of, or incident to, any action by Lessee pursuant to the foregoing authorization.

21. Lessee's Representations and Warranties. Lessee hereby represents and warrants that (a) Lessee is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation set forth above, and is qualified to do business in, and is in good standing in all material respects in, each state or other jurisdiction in which the nature of its business makes such qualification necessary (including each state or other jurisdiction in which the Equipment or any part thereof will be located); (b) Lessee has the corporate power and authority to execute and perform this Lease, to lease the Equipment hereunder to sell the Equipment or any Unit thereof to Lessor and to lease the same back from Lessor under the Lease, and any such sale and leaseback will not violate the laws of the jurisdiction where such Equipment or Unit will be located on the date of such sale and leaseback, and has duly authorized the execution, delivery and performance of this Lease; (c) the leasing of the Equipment from Lessor by Lessee, the sale of any Unit of Equipment by Lessee to Lessor and the leasing back of the same by Lessee from Lessor under the Lease, the execution and delivery of this Lease, each Bill of Sale and Lease Supplement, and other related instruments, documents and agreements, and the compliance by the Lessee with the terms hereof and thereof, and the payments and performance by Lessee of all of its obligations hereunder and thereunder (i) have been duly and legally authorized by appropriate corporate action taken by Lessee, (ii) are not in contravention of, and will not result in a violation

or breach of, any of the terms of Lessee's Certificate of Incorporation (or equivalent document), its By-Laws, and (iii) will not violate or constitute a breach of any provision of law, any order of any court or other agency of government, or any indenture, agreement or other instrument to which Lessee is a party, or by or under which Lessee or any of Lessee's property is bound, or be in conflict with, result in a breach of, or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument, or result in the creation or imposition of any Lien upon any of Lessee's property or assets; (d) this Lease has been executed by the duly authorized officer or officers of Lessee and delivered to Lessor and constitutes, and when executed by the duly authorized officer or officers of Lessee and delivered to Lessor each Bill of Sale and Lease Supplement and related instruments, documents and agreements with respect to each Unit of Equipment will constitute, the legal, valid and binding obligations of Lessee, enforceable in accordance with their terms; (e) neither the execution and delivery of this Lease, any Bill of Sale or any Lease Supplement by Lessee, nor the payment and performance by Lessee of all of its obligations hereunder and thereunder, nor the sale of any of the Equipment by Lessee to Lessor for the purpose of leasing the same back under the Lease, nor any action necessary to rebut the presumption of fraud discussed in clause (h) below requires the consent or approval of, the giving of notice to, or the registration, filing or recording with, or the taking of any other action in respect of, any Federal, state, local or foreign government or governmental authority or agency or any other Person; (f) Lessee has not granted, nor will it grant, any Lien on the Equipment, the proceeds thereof or this Lease, to any Person other than Lessor, and no Lien, other than the Lien granted to Lessor hereunder (and any Lien hereafter granted by Lessor) has attached to the Equipment, the proceeds thereof or this Lease, or in any manner has affected adversely Lessor's rights and security interest therein and the Bill of Sale for the Units of Equipment to be sold to, and leased back from, Lessor will grant and convey to Lessor full legal title and ownership in and to such Units of the Equipment, free and clear of all liens and encumbrances and claims of any present or future creditors of the Lessee; (g) there is no litigation or other proceeding now pending or, to the best of Lessee's knowledge, threatened, against or affecting the Lessee, in any court or before any regulatory commission, board or other administrative governmental agency which would directly or indirectly adversely affect or impair the title of Lessor to the Equipment, or which, if decided adversely to Lessee, would materially adversely affect the business operations or financial condition of Lessee; (h) without limiting the generality of the foregoing, the retention of possession by Lessee of the Units of Equipment to be sold and leased back following the sale of the same to, and the leaseback of the same from, Lessor, shall not be deemed fraudulent or void as against any present or future creditor of the Lessee under the

laws of the states where such Units of the Equipment will, at the time of such sale and leaseback, be located, nor would any subsequent bona fide purchaser from the Lessee of such Units of Equipment, in the event of any attempted subsequent sale thereof by the Lessee, acquire any title to or rights therein superior to Lessor's title thereto and rights therein; and (i) the annual report of Lessee for the fiscal year ended May 31, 1990 fairly presents the financial condition of Lessee on such date, and the results of its operations for the fiscal year then ended, and except where noted have been prepared in accordance with generally accepted accounting principles consistently followed throughout the periods covered thereby; and there has been no material adverse change in the condition of Lessee, financial or otherwise, since such date; (j) Lessee is not a "common carrier", as such term is defined in any provision of the Interstate Commerce Act, as amended, except that Lessee may be affiliated with two "common carriers" (no such affiliation, however, requires, in connection with the execution, deliver or performance by the Lessee of this Lease, each Bill of Sale and Lease Supplement and other related instruments, documents and agreements, Instruments, the consent or approval of, or the registration with, or the taking of any other action in respect of, the Interstate Commerce Commission or the Securities and Exchange Commission; (k) Lessee has not entered into the transaction contemplated by this Lease, directly or indirectly, in connection with any arrangement in any way involving any employee benefit plan or related trust to which it is a party in interest, all within the meaning of the Employment Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code of 1986, as amended; (l) Lessee is not an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended; (m) Lessee has not offered any interest in this Agreement, the Rent and Supplemental Payments, or the Units of Equipment or any similar security for sale to, or solicited offers to buy any thereof from, or otherwise approached or negotiated with respect thereto with, any prospective purchaser, other than Lessor and not more than twenty-five (25) other institutional investors, each of which was offered an interest in this Agreement, the Rent or the Units of Equipment at a private sale for investment and each of which Lessee had reasonable grounds to believe, and did believe, and as to the Owner Participant, after reasonable inquiry does believe, has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of such an investment; (n) Lessee has delivered to Lessor true, correct and complete copies of invoices for the Units of Equipment; (o) Lessee has delivered to Lessor true, correct and complete copies of all checks or wire transfer instructions or other evidence of payment in full for the Units of Equipment; and (p) in the case of the Units being sold to Lessor and leasedback from Lessee payment in full has been made by Lessee for the Units of

Equipment to the original seller thereof.

22. Events of Default. Any of the following events shall constitute an Event of Default:

(a) Lessee shall fail to make any payment of Interim Rent or Basic Rent or any Supplemental Payment within five (5) days after the same is due and payable; or

(b) Lessee shall fail to observe or perform any of the covenants or agreements of Lessee set forth in Section 6, 14(d) or (with respect to maintenance of insurance coverage) 17 hereof

(c) Lessee shall fail to perform or observe any other covenant, condition, or agreement to be performed or observed by it under this Lease, or in any agreement or certificate furnished to Lessor or any Assignee in connection herewith, and such failure shall continue unremedied for thirty (30) days after written notice to Lessee specifying such failure and demanding the same to be remedied; or

(d) Lessee shall be in default in the payment of any obligation of Lessee to any Person in excess of \$10,000,000 (excluding any such obligation which is being contested in good faith by Lessee by appropriate proceedings, and the liability for which has not been reduced to judgment) relating to the payment of borrowed money or the payment of rent or hire under any "capitalized lease" agreement, and such obligation shall be declared to be due and payable prior to the maturity thereof;

(e) Lessee shall become insolvent or make an assignment for the benefit of creditors or consent to the appointment of a trustee or receiver; or a trustee or a receiver shall be appointed for Lessee or for a substantial part of its property without its consent and shall not be dismissed for a period of 60 days; or any petition for the relief, reorganization or arrangement of Lessee, or any other petition in bankruptcy or for the liquidation, insolvency or dissolution of Lessee, shall be filed by or against Lessee and, if filed against Lessee, shall be consented to or be pending and not dismissed for a period of 60 days, or an order for relief under any bankruptcy or insolvency law shall be entered by any court or governmental authority of competent jurisdiction with respect to Lessee; or any execution or writ or process shall be issued under any action or proceeding against Lessee whereby any of the Equipment may be taken or restrained and not be bonded or released within 30 days; or except as otherwise permitted by Section 14(d) hereof Lessee's corporate existence shall cease; or

(f) any representation, warranty, statement or certification made by Lessee under this Lease or in any Lease

Supplement or in any document or certificate furnished Lessor or any Assignee in connection herewith or pursuant hereto, shall prove to be untrue or incorrect in any material respect when made.

23. Remedies Upon Default. Upon the occurrence of any Event of Default and at any time thereafter so long as the same shall be continuing and Lessor has given Lessee written notice of such Event of Default, Lessor may exercise one or more of the following remedies as Lessor in its sole discretion shall elect:

(a) Lessor may terminate this Lease, without prejudice to any other remedies of Lessor hereunder, with respect to all or any Unit of Equipment, and whether or not this Lease has been so terminated, may enter the premises of Lessee or any other party insofar as the Lessee may be lawfully authorized to so permit without judicial process if this can be done lawfully without breach of the peace to take immediate possession of the Equipment and remove all or any Unit of Equipment by summary proceedings or otherwise, or may cause Lessee, at Lessee's expense, to store, maintain, surrender and deliver possession of the Equipment or such Unit in the same manner as provided in Section 6 hereof, all without liability to Lessor for or by reason of such entry or taking of possession, whether for the restoration of damage to property caused by such taking or otherwise;

(b) Lessor may hold, keep idle or lease to others the Equipment or any Unit of Equipment, as Lessor in its sole discretion may determine, free and clear of any rights of Lessee and without any duty to account to Lessee with respect to such action or inaction or for any proceeds with respect thereto, except that Lessee's obligation to pay Basic Rent for any Rental Periods commencing after Lessee shall have been deprived of possession pursuant to this Section 23 shall be reduced by the net proceeds, if any, received by Lessor from leasing the Equipment or such Unit to any Person other than Lessee for the same Rental Periods or any portion thereof;

(c) Lessor may sell the Equipment or any Unit of Equipment at public or private sale as Lessor may determine, free and clear of any rights of Lessee, and Lessee shall pay to Lessor, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Basic Rent due for the Equipment or Unit(s) so sold for any Rental Period commencing after the date on which such sale occurs), the sum of (i) all unpaid Interim Rent and Basic Rent payable for each Unit of Equipment for all Rental Periods through the date on which such sale occurs, plus (ii) an amount equal to the excess, if any, of (x) the Casualty Loss Value of the Equipment or Unit(s) so sold, computed as of the Rent Payment Date coincident with or next preceding the date of such sale, over (y) the net proceeds of such sale, plus interest at the rate

specified in Section 25 hereof on the amount of such excess from the Rent Payment Date as of which such Casualty Loss Value is computed until the date of actual payment, plus (iii) all unpaid Supplemental Payments due with respect to each Unit of Equipment so sold;

(d) whether or not Lessor shall have exercised, or shall thereafter at any time exercise, any of its rights under subsection (a) or (b) above with respect to any Unit of Equipment, Lessor, by written notice to Lessee specifying a payment date, may demand that Lessee pay to Lessor, and Lessee shall pay to Lessor, on the payment date specified in such notice, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Basic Rent due for any Unit(s) of Equipment for any Rental Period commencing after the payment date specified in such notice and in lieu of the exercise by Lessor of its remedies under subsection (b) above in the case of a re-lease of such Unit or under subsection (c) above with respect to a sale of such Unit, the sum of (i) all unpaid Interim Rent and Basic Rent payable for such Unit for all Rental Periods through the payment date specified in such notice, plus (ii) all unpaid Supplemental Payments due with respect to such Unit as of the payment date specified in such notice, plus (iii) an amount, with respect to such Unit, equal to the Casualty Loss Value of such Unit computed as of the Rent Payment Date coincident with or next preceding the payment date specified in such notice (together with interest on such amount at the rate specified in Section 25 hereof from the payment date specified in such notice to the date of actual payment); provided, however, that with respect to any such Unit returned to or repossessed by Lessor, the amount recoverable by Lessor pursuant to the foregoing shall be reduced (but not below zero) by an amount equal to the fair market sales value of such Unit as of the date on which Lessor has obtained possession of such Unit; and

(e) Lessor may exercise any other right or remedy which may be available to it under applicable law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof or to rescind this Lease.

In addition, Lessee shall be liable for the Reinvestment Premium and all costs and expenses, including reasonable attorney's fees and expenses, incurred by Lessor or any Assignee by reason of the occurrence of any Event of Default or the exercise of Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of the Equipment in accordance with Section 6 hereof or in placing the Equipment in the condition required by said Section. For the purpose of subsection (d) above, the "fair market sales value" of any Unit of Equipment shall mean such value as has been determined by an independent qualified appraiser selected by Lessor. Except as otherwise expressly provided above, no remedy

referred to in this Section 23 is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity; and the exercise or beginning of exercise by Lessor of any one or more of such remedies shall not constitute the exclusive election of such remedies and shall not preclude the simultaneous or later exercise by Lessor of any or all of such other remedies. No express or implied waiver by Lessor of any Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent Event of Default. To the extent permitted by applicable law, Lessee hereby waives any rights now or hereafter conferred by statute or otherwise which may require Lessor to sell, lease or otherwise use the Equipment in mitigation of Lessor's damages as set forth in this Section or which may otherwise limit or modify any of Lessor's rights and remedies in this Section 23.

24. Lessor's Right to Perform for Lessee. If Lessee fails to make any Supplemental Payment required to be made by it hereunder or fails to perform or comply with any of its agreements contained herein, Lessor may itself, after notice to Lessee, make such payment or perform or comply with such agreement, and the amount of such payment and the amount of the reasonable expenses of Lessor incurred in connection with such payment or the performance of or compliance with such agreement, as the case may be, together with interest thereon at the rate specified in Section 25 hereof, shall, if not paid by Lessee to Lessor on demand, be deemed a Supplemental Payment hereunder; provided, however, that no such Payment, performance or compliance by Lessor shall be deemed to cure any Event of Default hereunder.

25. Late Charges. Lessee shall pay to Lessor, upon demand, to the extent permitted by applicable law, interest on any installment of Basic Rent or Interim Rent not paid when due, and on any Supplement Payment or other amount payable under this Lease which is not paid when due, for any period for which any of the same is overdue (without regard to any grace period) at a rate equal to the lesser of (a) ten and six-tenths percent (10.6%) per annum, or (b) the maximum rate of interest permitted by law.

26. Further Assurances. Lessee will promptly and duly execute and deliver to Lessor and any Assignee such other documents and assurances, including, without limitation, such amendments to this Lease as may be reasonably required by Lessor and by any Assignee, and Uniform Commercial Code financing statements and continuation statements, and will take such further action as Lessor or any Assignee may from time to time reasonably request in order to carry out more effectively the intent and purposes of this Lease and to establish and protect the rights and remedies created or intended to be created in

favor of Lessor and of any Assignee and their respective rights, title and interests in and to the Equipment.

27. Notices. All notices provided for or required under the terms and provisions hereof shall be in writing, and any such notice shall be deemed given when personally delivered or when deposited in the United States mails, with proper postage prepaid, for first class certified mail, return receipt requested, addressed (i) if to Lessor or Lessee, at their respective addresses as set forth herein or at such other address as either of them shall, from time to time, designate in writing to the other, and (ii) if to any Assignee, to the address of such Assignee as such Assignee shall designate in writing to Lessor and Lessee.

28. Lessee's Renewal and Purchase Options.

(a) Lessee's Renewal Option. If (i) no Event of Default shall have occurred and be continuing and (ii) this Lease shall not have been earlier terminated, Lessee shall be entitled to renew this Lease for up to nineteen (19) Renewal Terms of twelve (12) months each with respect to all (but not less than all) the Corn Syrup Tank Cars then subject to this Lease, all (but not less than all) the Tallow Tank Cars then subject to this Lease, and all, (but not less than all) the Vegetable Oil Tank Cars then subject to this Lease. The first Renewal Term with respect to each such Unit of Equipment will commence at the expiration of the Basic Term of such Unit, and each succeeding Renewal Term will commence at the expiration of the next preceding Renewal Term. All of the provisions of this Lease, including the Basic Rent Percentage, shall be applicable during each Renewal Term for each such Unit of Equipment. Basic Rent during each Renewal Term shall be payable monthly in arrears for each Unit of Equipment on the first day of each calendar month of such Renewal Term. If Lessee intends not to exercise said renewal option with respect to any of said Renewal Terms, Lessee shall give written notice to Lessor to such effect at least ninety (90) days prior to the expiration of the Basic Term, in the case of the first Renewal Term, and at least ninety (90) days prior to the expiration of the then current Renewal Term in the case of the then next succeeding Renewal Term. If Lessee fails to give such written notice to Lessor with respect to any of said Renewal Terms, it shall be conclusively presumed that Lessee has elected to exercise said renewal option with respect to said Renewal Term. In the event Lessee elects not to exercise said renewal option (unless Lessor has otherwise agreed in writing or Lessee has exercised its purchase option under Section 28(b) hereof) each such Unit of Equipment shall be returned to Lessor or a third party in accordance with the provisions of Section 28(c) hereof and until each such Unit has been so returned Lessee shall continue to pay Lessor the Basic Rent for each such Unit as specified in the next to last sentence of Section 6 hereof.

(b) Lessee's Purchase Option. If (i) no Event of Default shall have occurred and be continuing, and (ii) this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option, upon written notice to Lessor, as hereinafter provided, to purchase (A) all, but not less than all, the Tallow Tank Cars then subject to this Lease, (B) all, but not less than all, the Vegetable Oil Tank Cars then subject to this Lease and (C) any group of one hundred or multiple of fifty in excess thereof Corn Syrup Tank Cars then subject to this Lease. Such purchase shall be on the Termination Date for such Units of Equipment, for an amount, with respect to each such Unit of Equipment, payable in immediately available funds, equal to the Estimated Residual Value of such Unit of Equipment, plus (x) any applicable sales, excise or other taxes imposed as a result of such sale (other than gross or net income taxes attributable to such sale) and, in the event that Lessee exercises its purchase option hereunder prior to the end of the Maximum Term, (y) the Reinvestment Premium in accordance with the last paragraph of Section 29 hereof. Lessor's sale of each Unit of Equipment shall be on an as-is, where-is basis, without any representation by, or recourse or warranty to, Lessor. If Lessee intends to exercise said purchase option, Lessee shall give written notice to Lessor to such effect at least ninety (90) days prior to the expiration of the Basic Term or, if Lessee has renewed this Lease pursuant to Section 28(a) hereof, then at least ninety (90) days prior to the expiration of the then current Renewal Term. If Lessee fails to give such written notice to Lessor as aforesaid, Lessor shall be entitled to presume that Lessee has elected not to exercise said purchase option, in which case (unless Lessor otherwise agrees in writing or Lessee has exercised its renewal option under Section 28(a) hereof) each such Unit of Equipment shall be returned to Lessor or a third party in accordance with the provisions of Section 28(c) hereof. Until each such Unit has been so returned to Lessor (or if Lessee has exercised its said purchase option but has failed, for whatever reason, to pay Lessor the purchase option amount on the payment date specified in the first sentence of this Section 28(b) with respect to any Unit then until such payment has been made to Lessor), Lessee shall continue to pay Lessor the Basic Rent for each such Unit as specified in the next to last sentence of Section 6 hereof.

(c) Third Party Sale of Equipment. In the event Lessee does not exercise either its option to renew this Lease or purchase the Equipment at least one hundred eighty (180) days prior to the expiration of the Basic Term or, if Lessee has renewed this Lease pursuant to Section 28(a) hereof, then at least ninety (90) days prior to the expiration of the then current Renewal Term, Lessee shall have the obligation during the remainder of the Basic Term, or Renewal Term if applicable, to obtain bona fide bids for each Unit of Equipment from prospective purchasers who are financially capable of purchasing such Unit of Equipment for cash on an as-is, where-is basis, without recourse

or warranty. All bids received by Lessee prior to the end of the Basic Term, or Renewal Term if applicable, of each such Unit of Equipment shall be immediately certified to Lessor in writing, setting forth the amount of such bid and the name and address of the Person submitting such bid. No later than the Termination Date Lessee shall deliver such Unit of Equipment either (a) to the bidder, if any, who shall have submitted such highest bid, and Lessor shall simultaneously therewith sell, for cash on an as-is, where-is basis and without recourse or warranty such Unit of Equipment to such bidder; provided, however, that Lessor shall not, without its prior written consent, be obligated to consummate any proposed sale of the Equipment for a price (net of sales costs and applicable taxes) less than the Maximum Lessor Risk Amount applicable to such Equipment at such time, or (b) to Lessor, if directed in writing by Lessor at least three (3) Business Days prior to such Termination Date or if Lessor shall have withheld its prior written consent pursuant to clause (a), in which case the highest bona fide bid theretofore received for such Unit shall be deemed to be the selling price therefor referred to herein. The total selling price realized from the sale of any such Unit of Equipment shall be retained by Lessor.

29. End of Term Adjustment. If the aggregate Net Proceeds of Sale (hereinafter defined) of all Units of Equipment subject to this Lease whose Basic Term (or Renewal Term, as applicable) first expires is less than the aggregate Estimated Residual Value of all such Units, Lessee shall, on the Termination Date of such Units, pay to Lessor, in immediately available funds, an amount equal to such deficiency as an adjustment to the Basic Rent payable under this Lease for such Units, but such amount shall, so long as no Event of Default (or event which with giving of notice or passage of time or both would constitute an Event of Default) shall have occurred and be continuing, in no event be more than the Maximum Lessee Risk Amount applicable to such Units. If the aggregate Net Proceeds of Sale of all Units of Equipment subject to this Lease whose Basic Term (or Renewal Term, as applicable) first expires is more than the aggregate Estimated Residual Value of all such Units, Lessor shall retain such excess to be applied to Lessee's obligations (if any) under this Section 29 with respect to any Unit(s) of Equipment whose Basic Term (or Renewal Term, if applicable) last expires hereunder. Upon the last Termination Date hereunder, if the aggregate Net Proceeds of Sale of all Units of Equipment subject to this Lease (including those Units whose Term first expired hereunder) is less than the aggregate Estimated Residual Value of all such Units, Lessee shall, on the last Termination Date of such Units, pay to Lessor, in immediately available funds, an amount equal to such deficiency as an adjustment to the Rent payable under this Lease for such Units, but in no event more than the Maximum Lessee Risk Amount applicable to such Units. If the aggregate Net Proceeds of Sale of all Units of Equipment subject to this Lease (including those Units whose Term first

expired hereunder) is more than the aggregate Estimated Residual Value of all such Units, Lessor shall, on the last Termination Date, pay to Lessee an amount equal to such excess as an adjustment to the Rent payable under this Lease for such Units, provided that Lessor shall have the right to offset against such adjustment payable by Lessor, any amounts then due and payable from Lessee to Lessor hereunder.

As used in this Section 29, the term "Net Proceeds of Sale" means, with respect to each Unit of Equipment sold by Lessor to Lessee under Section 28(b) or to a third party under Section 28(c), the net amount of the proceeds of sale of such Unit, after deducting from the gross proceeds of such sale (i) all sales taxes and other taxes (excluding income taxes on or measured by Lessor's income) as may be applicable to the sale or transfer of such Unit, (ii) all fees, costs and expenses of such sale incurred by Lessor and (iii) any other amounts for which, if not paid, Lessor would be liable or which, if not paid, would constitute a Lien on such Unit. Lessor's obligation to sell any Unit of Equipment to Lessee under Section 28(b) or to a third party under Section 28(c) is contingent upon the receipt of the amounts, if any, payable by Lessee with respect thereto pursuant to the first sentence of this Section 29 and pursuant to the last paragraph of this Section 29.

If Lessee does not exercise its option to renew this Lease or purchase the Equipment, and if no bona fide bids are received under Section 28(c) hereof with respect to any Unit of Equipment prior to the Termination Date thereof, then Lessee and Lessor agree that in view of the uncertainties of market conditions and the parties inability to predict what the actual sale price of such Unit would be, the sales price such Unit would have been sold to a third party shall be deemed to equal to zero solely for purposes of the rental adjustment set forth in the first paragraph of this Section 29, and Lessee shall, on the Termination Date of such Unit, pay to Lessor in immediately available funds, an amount equal to the Estimated Residual Value, but in no event more than the Lessee's Maximum Liability Amount applicable to such Unit as an adjustment to the Rent payable under this Lease for such Unit, and Lessee shall promptly return such Unit to Lessor upon the Termination Date thereof in accordance with the provisions of Section 6 hereof.

In the event a Termination Date of any Unit of Equipment occurs prior to the last day of the Maximum Term hereof relating to such Unit, Lessee shall pay to Lessor on the Termination Date of such Unit, in addition to any other obligations hereunder, the Reinvestment Premium relating to such Unit.

30. Financial Information; Confidentiality. Lessee agrees to furnish Lessor (a) as soon as practicable and in any event within 60 days after the end of each semi-annual period in each

fiscal year, a consolidated profit and loss statement and reconciliation of surplus statement of Lessee and its consolidated subsidiaries for the period from the beginning of the current fiscal year to the end of such semi-annual period, and a consolidated balance sheet of Lessee and its consolidated subsidiaries, as at the end of such semiannual period, setting forth in each case in comparative form corresponding consolidated figures from the corresponding semi-annual period in the immediately preceding fiscal year, all in reasonable detail and certified by an authorized financial officer of the Lessee, subject to changes resulting from year-end adjustment; (b) as soon as practicable and in any event within 120 days after the end of each fiscal year, a consolidated profit and loss statement, reconciliation of surplus statement and consolidated statement of cash flows of Lessee and its consolidated subsidiaries for such year and a consolidated balance sheet of the Lessee and its subsidiaries as at the end of such year, setting forth in each case in comparative form corresponding consolidated figures from the preceding annual audit, all in reasonable detail and certified to Lessor by independent certified public accountants of recognized standing selected by Lessee; (c) as soon as practicable, copies of all such financial statements, proxy statements, notices and reports as Lessee shall send to its public stockholders and copies of all registration statements (without exhibits) and all regular or periodic reports which it files with the Securities and Exchange Commission (or any governmental body or agency succeeding to the function of the Securities and Exchange Commission); and (d) with reasonable promptness, such other data and information with respect to the business, affairs and conditions of Lessee or its consolidated subsidiaries as from time to time Lessee or each Assignee may reasonably request. Lessor agrees that all financial statements and other proprietary information furnished by Lessee will be treated by Lessor in a responsible manner, and their confidentiality maintained; such material will not be disseminated except to officers, directors, employees and professional consultants for Lessor who, for proper reasons consistent with the purposes for which this information is furnished, need access to such information, and upon prior written notice to Lessee, to such other parties to whom Lessor or any Assignee may have a duty or legal obligation of disclosure and to bona fide prospective Assignees; provided, however, that where such material or information is disclosed to an Assignee or prospective Assignees, Lessor will obtain written assurances from all recipients, enforceable against them by Lessee, that the confidentiality of such material or information will be maintained. This confidentiality provision of this Lease will survive the expiration or early termination of this Lease.

31. Expenses and Recording. Lessee shall reimburse Wilmington Trust Company, Lessor, the Owner Participant, and Massachusetts Mutual Life Insurance Company all of their

respective costs and expenses (including reasonable counsel fees and disbursements) in connection with the preparation, execution and delivery of this Lease and the consummation of the transactions contemplated hereby, but only to the extent of \$30,000 for the fees of counsel for the Owner Participant and Messrs. Gaston & Snow. Lessee shall pay the reasonable initial and ongoing fees and expenses (including reasonable counsel fees and disbursements) of Wilmington Trust Company, as Owner Trustee, and at its own expense, will cause this Lease, all Lease supplements, and the security agreement, if any, entered into by Lessor concurrently herewith pursuant to Section 14(b) hereof (the "Security Agreement") to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. section 11303. The Lessee, at its own expense, will further cause this Lease and/or appropriate financing statements or (if requested) continuation statements to be filed and recorded and, from time to time when required, refiled and rerecorded, in accordance with the applicable provisions of the Uniform Commercial Code as in effect in the State of Minnesota (and, if the Lessee changes its chief place of business, in any other state) in the same manner as if Lessor's interest in this Lease represented a security interest and in any other state of the United States of America or the District of Columbia where filing reasonably requested by Lessor or any Assignee for the purpose of proper protection, to the satisfaction of counsel for Lessor and any Assignee, of their interests and rights under this Lease and the Security Agreement for the purpose of carrying out the intention of this Lease and the Security Agreement. The Lessee in addition will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments reasonably requested by the Lessor or any Assignee for the purpose of proper protection, to their satisfaction, of their respective interests in the Units of Equipment, or for the purpose of carrying out the intention of this Lease and the Security Agreement; and Lessee will promptly furnish to Lessor and any Assignee which shall have requested the same evidence of all such filing, registering, depositing or recording. This Lease and the Security Agreement shall be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. Section 11303 prior to the delivery and acceptance hereunder of any Unit of Equipment.

32. Owner for Income Tax Purposes. Lessor agrees that Lessee shall be deemed the owner of the Equipment for federal, state and local income tax purposes and that, so long as no Event of Default shall have occurred and be continuing, Lessor shall take no action inconsistent with such ownership for income tax purposes.

33. Miscellaneous. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall, as to such

jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating or diminishing Lessor's rights under the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, Lessee hereby waives any provision of law which renders any provision of this Lease prohibited or unenforceable in any respect. No term or provision of this Lease may be amended, altered, waived, discharged or terminated orally, but may be amended, altered, waived, discharged or terminated only by an instrument in writing signed by a duly authorized officer of the party against which the enforcement of the amendment, alteration, waiver, discharge or termination is sought. A waiver on any one occasion shall not be construed as a waiver on a future occasion.
